Dear Federal Communication Commission:

We are requesting a waiver for the Raymond-Knowles Elementary School. The request is for the Year 2002. Our funding was denied due to "The Form 471 application was submitted prior to the expiration of the 28-Day waiting period from the day of the posting of the Form 470 to the SLD website.

We agree the Form 471 was filed before the 28-day waiting period had expired. This was due to the deadline for filing the Form 471. Our school experienced some major staff changes and it was discovered that the Form 470 hadn't been filed, this was corrected immediately. Unfortunately, due to the deadlines, it would not be posted on the website a full 28 days.

There are extenuating circumstances that would make the 28 days simply a formality.
